

Fund-raising Activity for MS. Undurmaa, Inner Mongolian Herder

Early summer greetings to all the visitors of our websites.

Following is a report on Fund-raising Activity for Ms. Undurmaa an Inner Mongolian Herder.

Fund-raising Activity for Ms. Undurmaa was held from April 18th to May 18th. The donation has been up to 187,000 Japanese Yen, which was collected both from the members of Foundation and outsiders of individuals and companies.

On May 20th, the raised money was exchanged into Chinese Yuan, which on addition of generous donation was added up to 10,000 Chinese Yuan. On May 27th, Inner Mongolia University professor Hexigbayar (former president of the Foundation) and Saintsogt (one-time president of the Foundation) visited Ms. Undurmaa in hospital of Baotou City with the raised money and letter of encouragement, which was also reported by a local newspaper, Inner Mongolia Daily on May 28th.

Ms.Undurmaa has successfully survived the surgery of kidney transplant operation on June 2nd.

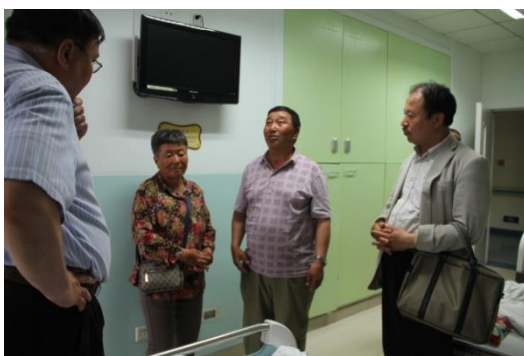

We would like to deeply thank the people who made donations toward the fund-raising activity for the kidney transplant of Ms.Undurmaa. We wish Ms.Undurmaa a speedy recovery and best of health.
